

Catering Contract

Gourmet & Company requires a \$200.00 non-refundable deposit to hold a date. A 50% deposit is required at the signing of the contract. Gourmet & Company must be given the minimum number of people to attend the event two weeks prior to the event. If you do not provide us with a final number, we will use the number of people used to prepare the estimate. If the function is cancelled within 30 days of the scheduled date, the customer agrees to forfeit their deposit. If the function is cancelled within 72 hours of the scheduled date, the customer agrees to pay Gourmet & Company for the entire contracted value of the event.
